

Medium Term Plan: Supporting Implementation of LTP/Progression Grid

Subject: LKS2 Year B Dance

PoS aims from NC:

A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect

Prior Learning (what pupils already know and can do)

It is helpful if children have:

- used a range of stimuli, including world music
- structured short dance phrases and dances on their own and with a partner
- used a range of descriptive language for dance
- explored moods, ideas and feelings through body actions
- talked to each other about dance and listened to each other describing dance

Long-term Learning (what pupils MUST know and remember) End Goals

Y3 Dance skill

*Identify and repeat the movement

patterns and actions of a chosen dance style

*Compose a dance that reflects the chosen dance style

*Confidently improvise with a partner or on their own

*Compose longer dance sequences in a small group demonstrate precision and some control in response to stimuli

ABOUT THE UNIT

In this unit children perform dances, focusing on creating, adapting and linking a range of dance actions. These are inspired by a variety of subjects, including some traditional, social and/or historical dances. They work with a partner and in small groups.

In dance as a whole, children think about how to use movement to explore and communicate ideas and issues, and their own feelings and thoughts. As they work, they develop an awareness of the historical and cultural origins of different dances.

WHERE THE UNIT FITS IN

This unit lays the foundations for upper KS2 Dance, in which children will concentrate on dance inspired by characters and narrative. They will continue to work on their own, with a partner and in small groups, developing their ability to create, perform and appreciate dance.

In other physical education units in year 3/4, children concentrate on working with a partner and linking actions (gymnastics); working as a group to solve problems (outdoor and adventurous activities); and linking actions and relay (athletics). Other year 3/4 units focus on themes such as pathways, patterns and shapes.

Key Vocabulary

In this unit children will have an opportunity to use a range of words and phrases, such as:

- words to describe actions, dynamics, space and relationships
- words to describe group formations, eg square, circle, line
- partner, copy, follow, lead
- unison, canon, repeat
- structure
- motif
- dance phrase
- improvisation, explore
